RHYTHM # 9 BOSSA NOVA BOUNCE

BOSSA NOVA BOUNCE

This rhythm is easier to explain diagrammatically than verbally.

Try tapping the following rhythm out.

Count out loud and accentuate the numbers where the beats come in.

ie "ONE and two AND three AND FOUR AND ONE and two AND three AND FOUR AND"

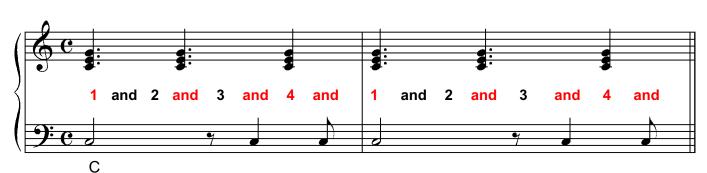

Notice the RIGHT hand chord beat between beats 2 and 3

Try it VERY slowly at first

RH	(•			•			•		•			•			•	
LH	(•					•		•	•					•		•
count		1	and	2	and	3	and	4	and	1	and	2	and	3	and	4	and

Now try it with a C Chord right hand and a C note left hand. Keep repeating it.

You don't really need the pedal

Try the rhythm with the songs on the next page.
