

Last **THREE** basic chords

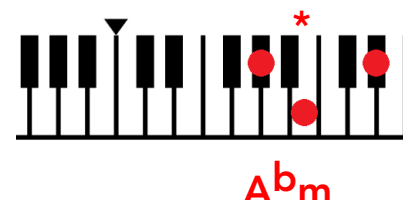

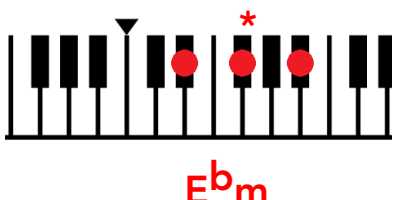

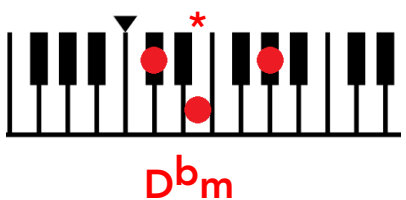

Dbm, Ebm, Abm

You can easily form these three new chords using three chords you **ALREADY** know

FIRST play the 3 major chords you know - **Db**, **Eb**, and **Ab**

Then, transform each of these chords into **Dbm**, **Abm**, and **Ebm** by simply moving your **MIDDLE** finger **DOWN** one key as follows

YOU NOW KNOW

ALL 24

BASIC

MAJOR and MINOR CHORDS

Let's look at them again
